Patrese-

I am thinking that Del could do Thursday at 3 or 4pm. His flight out of Las Vegas isn't until 10pm that night. Does LEH need to be involved? I thought I saw on his calendar that he was traveling. If it can take place without LEH, then that time would work. I will confirm with Del and get back to you this am. Thanks.

Dajuana,

Can you check with del to see if he has a time tomorrow or later this week to discuss Tejon and Gabriellino. We are trying to get everyone in the hallway to participate on this phone call. Paul thinks this will take at least an hour to discuss.

Thanks,
Patrese
